Puppets is the integrated curriculum topic being covered in Years 3 and 4 during Term II. The students will have the opportunity to design and make puppets, write puppet plays, create backdrops and perform their puppet plays.

An incursion with Festive Factory has been organised for Thursday the 26th of April. This incursion involves the performance of a puppet play for all children followed by each class attending a workshop where they will make their own puppet under the direction of the puppeteer.

Our Year 3s and 5s will be undertaking the National Assessment Program – Literacy and Numeracy (NAPLAN) assessments in mid May. NAPLAN tests assess student knowledge and skills in writing, reading, language conventions (spelling, grammar, punctuation) and numeracy.

CLUBS are being run for the first 5 weeks of this term. The children are involved in a variety of activities through the clubs program such as cooking, drama, computer, photography, golf, dance and netball.
