What's happening in Term 1 for Prep - Grade 2 Level

On Tuesday 5th March, the children in Prep F and Prep C had a visit from Western Water. Ann and Sammy the Snake came to talk to the children about the importance of water and why we should look after it. She told the children a story about the adventures of a water drop called Donna and then the children got to act out the story. Everyone got to be part of the story and they all did a wonderful job. The morning was very informative and the children were engaged for the whole presentation.
