POLICY

1. School profile

Goonawarra is nestled on the southern outskirts of Sunbury adjacent to the Rolling Meadows estate. It is a vibrant community which features the school, a health centre, a neighbourhood house, a very active kindergarten, a community hall, medical centre, pharmacy and a group of specialty shops, food outlets and sporting facilities.

The school has a current enrollment of 382 students. It plays a major role within the community as the hub and meeting point for many people within the area.

A major building project totalling \$3 million was undertaken in 2011. This work consisted of the construction of six spacious classrooms and large open learning areas. The completed work has greatly enhanced the existing learning facilities available at the school. Since then 3 double portable buildings have also been added.

Other facilities include well-resourced classrooms, a large gymnasium, a very attractive and child friendly library, a performing and visual arts venue and a modern computer (ICT) room. All classrooms have their own interactive whiteboard which are used extensively to enhance educational learning opportunities for students. All students have access to ipads and laptop computers.

In the 2021-22 State Budget, the school received a \$10 million funding grant to upgrade and modernise the school. This includes refurbishing the library, classroom and informal learning spaces to the north wing, new administration, entry, reception and staff spaces and landscaping. This ensures students are learning in an environment designed for delivering modern education learning. The works are planned to finish in the third quarter of 2024.

The school has a very dedicated and committed staff – both teaching and non-teaching. We provide a wide range of stimulating, challenging and exciting curriculum content which is aimed at guiding and encouraging students to be articulate, numerate and inquisitive learners as well as lifelong seekers of knowledge.

We are fortunate to have a designated Welfare Officer to assist to all members of the school community.
